Superintendent A. E. Akers,
Roanoke Rapids, N. C.

Dear Mr. Akers:-

I am wondering if we shall put the Scotland Neck School back on our list for aid on this year's budget? The Rosenwald appropriation is \$200 less per type, but I do not think you will have to stand any loss, as the plan will possibly be extended to come under the \$2,100 allotment.

Also, you wrote me some time last spring about a shop at the Eastman School. We can aid you on it,- \$200 if it contains one room, and \$400 if it contains two rooms.

With good wishes, I am

Very sincerely yours,
